

Dark Peak Model Aircraft Club

*Would you like to learn to fly a
radio-controlled model aircraft?*

Why not try **three free lessons**
with one of our flying instructors?

We will supply a plane, ready to fly, at our flying field
in Glossop.

After your period of free instruction, which covered by the club's insurance policy, we would hope you will join our model flying club. At this stage you will also need to become a member of the British Model Flying Association, who will provide the necessary insurance for you to continue flying.

For your **free** lessons please contact: **The Dark Peak Model Aircraft Club**
Peter Lees (Chairman) 01457 866279
Ian Warhurst (Secretary)
John Bottomley (Treasurer) 07990 - 590330
